

## Upcoming Partner Mental Health First Aid Classes & Suicide Intervention Programs

The Howard County Local Health Improvement Coalition (HCLHIC) is working to increase participation in evidence-based mental health and suicide prevention education and stigma reduction programs by 20% in order to reduce emergency department visits related to mental health conditions and decrease suicide rates in Howard County. HCLHIC partner organizations including: *Howard County General Hospital, Grassroots Crisis Intervention, Humanim and the Mental Health Association of Maryland* are collaborating to make these programs accessible to the community.

*You can help by sharing these upcoming partner programs!*
