The Howard County Local Health Improvement Coalition (HCLHIC) is working to increase participation in evidence-based Chronic Disease Self-Management Education programs by 20% in an effort to reduce emergency department visits related diabetes and hypertension in Howard County. HCLHIC partner organizations including: *Howard County General Hospital, Office on Aging and Independence and The Living Well Center of Excellence at MAC, INC., and others* are collaborating to make these programs accessible to the community. *You can help by sharing these upcoming partner programs!*

Howard County Resource Guide – Chronic Disease Self-Management Education Programs
