

Chronic Disease Self- Management Education Programs

These programs are brought to you through the collaborative efforts of the Howard County Health Department, Howard County Office on Aging and Independence, and Johns Hopkins Howard County Medical Center.

Chronic Disease Self- Management Workshops

6-week community-based workshops to help people control their chronic health conditions (medical problems that last a long time) and improve their skills to control their long-lasting disease.

Diabetes Self- Management Workshops

6-week community-based workshops to help people control their diabetes and reduce the problems associated with diabetes.

Tobacco Cessation Classes

Weekly individual and group sessions to help people who want to quit tobacco. Open to anyone who lives, works or goes to school in Howard County .

Cancer Support Groups

Weekly/monthly professional-led support groups to help cancer survivors work through the feelings and challenges they have experienced with other people who have gone through the same experiences.
