

Howard County Resource Guide – Chronic Disease Self-Management Education Programs

The Howard County Local Health Improvement Coalition (HCLHIC) is working to connect community members to evidence-based Chronic Disease Self-Management programs to reduce diabetes and hypertension in Howard County. Partners including *Howard County General Hospital*, *Howard County Office on Aging and Independence* and *The Living Well Center of Excellence at MAC, INC.*, are working together to make these programs available. *You can help by sharing these upcoming programs!*
