

Chronic Disease Self-Management Education Programs

These programs are brought to you through the collaborative efforts of the Howard County Health Department, Howard County Office on Aging and Independence, and Howard County General Hospital.

Chronic Disease Self-Management Workshops

6-week community-based workshops to help people manage their ongoing health conditions and improve individual's self-management skills.

Diabetes Self-Management Workshops

6-week community-based workshops to help people manage their diabetes reduce the complications associated with diabetes.

Cancer Self-Management Workshops

6-week community-based education workshops to help cancer survivors live a full and active life.

Cancer Support Groups

Weekly/monthly professional-led support groups to help cancer survivors work through the feelings and challenges they've experienced with other people who have gone through similar experiences.
