# Open Doors

**As a cause-driven, charitable organization, we value the practice of inclusion for all regardless of race, religion, gender, age or economic circumstance. We are deeply committed to raising the funds necessary to remove income as a barrier and provide financial aid through our Open Doors assistance program so that everyone in our community can participate in Y programs that encourage positive growth, promote a healthy lifestyle, build community and support social responsibility.**

**We have also expanded our scholarships opportunities to include specific programs like swim lessons, summer camp, sports instruction, etc.**
